If you are unable to compete in a different level, you may only compete in the contest once. See strictly swing, jack & jill, and pro-am rules.

There is no limit to entries to any division except for pro-am routines and pro-am strictly swing. A professional may dance with up to five (5) amateurs at each level of pro-am strictly swing or pro-am routines.

If there are fewer than five (5) entries in any routine division or less than (10) couples in any strictly or jack and jill division, Floor Play Swing Vacation reserves the right to combine or cancel that division. Floor Play Swing Vacation also reserves the right to have all lead/follow categories run in a heated format in lieu of prelims or spotlight format to facilitate event schedule constraints.

- Definition of a DROP: The point at which the head goes below your partner's waist and weight is not self-supported.

10. All rules will be strictly enforced - Scoring and penalties will be at the discretion of each individual judge.

Appropriate Behavior and Dress Code:

It is the desire of the Organizer to encourage expressive and exciting dance performances without sacrificing quality of dancing and good taste. To encourage this balance, any action that the judges believe would make them uncomfortable in a social dance setting (such as wearing inappropriate attire or showing disrespect toward one's partner, other dancers, or the event) is prohibited. Competitors should check with the Chief Judge in advance if they have questions regarding the acceptability of their routine/competition attire.

Responsibilities of Competitors

1. **Planning:** Competitors should check the weekend schedule in advance to arrive in time to meet registration deadlines. They should bring appropriate competition attire. They should also plan to be on time for all meetings and competitions. Competitors are responsible for checking at the event for any changes to previously announced schedules, which are always subject to change.
2. **Knowing the Rules:** All competitors should read these rules carefully prior to attending the contestant meeting for their competition. Competitors are responsible for adhering to these rules whether they have read them or not. Questions about the rules should be asked at the contestant meeting or addressed in advance to the Organizer or the Chief Judge.
3. **Being Prepared to Compete:** Competitors should be present in the ballroom at least 15 minutes prior to the start of their competition. Any change in partnership for the couple's competitions may require an additional entry fee as well as a new entry form and waiver.
4. **Demonstrating Good Sporting Conduct:** Competitors must always demonstrate good sporting conduct, both on and off the competition floor. Competitors may not speak to judges regarding their placements or scores until after the awards have been given. It is bad sportsmanship to badger or argue with judges about placements and scores. Competitors must also refrain from any behavior that the judges deem inappropriate. Failure to adhere to this code of behavior may result in disqualification.

Petitions for Reclassification

It is the Organizer's goal to encourage all competitors to assign themselves to a fair and appropriate classification using the honor system. If competitors feel uncomfortable with their assigned classification, they may petition for reclassification on their entry form by providing a brief, written explanation of the reason(s) for their request. Competitors must submit such petitions at the contest registration desk prior to the earliest registration deadline for the competition(s) in question. Petitions for reclassification will be reviewed by the Chief Judge, in consultation with the Organizer, and contestants will be notified as quickly as possible of the outcome.

Changes to These Rules

The Organizer will make every effort to conduct all competitions in accordance with these rules. However, the Organizer reserves the right to make any changes in schedule/format deemed necessary for any competition.

WSDC Jack & Jill Contests

NEW!!!!- YOU CAN DANCE IN MORE THAN ONE J&J!

WSDC points will be used to determine the level for all Jack & Jill competitors.

Masters may compete in the appropriate WSDC level and in masters (novice or open based on WSDC points but not both).

Based on the input from our dance community, in February 2021, the WSDC Board announced that competitors would be *allowed* to compete as both Leaders and Followers in skill level Jack & Jills at any given event (previously, competitors had to choose to compete in only one role for the skill level J&J for that event).

Here are details on how it works:

- Leader and Follower points will be tracked separately in Points Registry.
- Competitors qualify for their dance level based on either their Leader or Follower points, whichever is higher.
- Competitors are allowed to compete in their non-dominant role one level down if they don't qualify in both for the **same** division. No petitions will be approved for dancing more than one level down.
- Competitors will not be permitted to dance both roles in the same division.

Current competitors whose combined points as both a Leader and Follower would have moved them into a higher skill level will be offered a one-time option (to be "grandfathered" into the higher level).

Competitors – please contact points@worldsdc.com if any points are/were incorrectly allocated to the wrong role in the system.
